FROM: APIL President

**SUBJECT: APIL's 39TH General Assembly, October 12 - 14, 2022 – Pohnpei, Federated States of
Micronesia**

Kaselehlie and Greetings!

The Pohnpei State Legislature has confirmed to host APIL's 39th General Assembly from October 12-14, 2022 in Kolonia, Pohnpei, Federated State of Micronesia. The theme for this years' General Assembly is: "HEALTH IS WEALTH: Social and Economic well-being of our APIL Pacific community".

The APIL General Assembly is one of the largest gatherings for today's Pacific policymakers, and it seeks to figure out the toughest challenges confronting legislatures today, and providing a unique environment to enable legislators to build strong legislative networks. At this General Assembly, we hope to attract professionals and experts to speak on the overall health of our island communities, including social and economic well-being for our APIL Pacific communities.

As this pandemic extends its footprints on the shores of some of our member entities, who had been spared of COVID-19 for the past two years, it is important, as regional policymakers, that we come together and collaborate on ways we can improve our communities during this Post-Pandemic transition.

The APIL Central Office is finalizing group travel arrangements with United Airlines for participating delegations. The proposed agenda is still being developed and will be provided to your offices as soon as it is finalized. Should you have any questions regarding the General Assembly, please feel free to contact the APIL Central Secretariat, Walden Weilbacher at e-mail address: apil@guam.net. We all look forward to seeing you in Pohnpei, FSM.

Sincerely,

SHELTEN G. NETH
