SUBJECT: APIL's 41st General Assembly, August 12-17, 2024, Rep of Palau

Ranannim and Greetings!

The Palau National Congress, OEK has confirmed to host APIL's 41st General Assembly from August 12-17 in the Republic of Palau. The theme for this year's General Assembly is: ***"Human Development in Oceania: How can legislatures strengthen people-centered security for the Pacific Islanders? The state of and future perspective on food security, economic security, cyber security, and other indicators of human development."***

The APIL General Assembly, one of the largest gatherings for today's Pacific policymakers, seeks to figure out the toughest challenges confronting legislatures today, and providing a unique environment to enable legislators to build strong legislative networks. At this General Assembly, we hope to have our presenters speak on one of the most important resources for small developing island countries...it's our human resource!

This General Assembly will delineate the unique opportunities facing our Pacific region, focusing this year's presentations on food security, economic security and cyber security. The APIL member region continues to gain economic and social advantages from a variety of programs generated through our Association and subsidiaries; however, at this conference, we will concentrate on the overall security for our combined Pacific region!

The APIL Central Office registered the APIL 41st GA on the United Business Jet-Stream for meetings and all attending delegates are eligible for discounts on airfares. See attached booking instructions. The proposed agenda is still being developed and will be provided to your offices as soon as it is finalized. Should you have any questions regarding the General Assembly, please feel free to contact the APIL Central Secretariat, Walden Weilbacher at e-mail address: apil@guam.net or walden.weilbacher@gmail.com. We all look forward to seeing you in the Republic of Palau.

Sincerely,

NELSON STEPHEN
